RECEIVER'S APPLICATION FOR  
AUTHORITY TO PAY INTEREST ON ALLOWED CLAIMS

John Doak, Insurance Commissioner for the State of Oklahoma (the "Receiver"), as Receiver for AmCare Health Plans of Oklahoma, Inc. ("AmCare"), pursuant to the Oklahoma Uniform Insurers Liquidation Act, 36 O.S. §1901, *et seq.*, requests the Court to issue an Order approving the payment of interest on allowed claims in Classes 3 through 8. In support of this Application, the Receiver states:

SUMMARY OF APPLICATION

The Court has adjudicated all submitted claims in Classes 3 through 8 and approved payment of the allowed amount for those claims. The Receiver has paid the amount allowed for all claims in Classes 3 through 8 net of resubmission fees and outstanding overpayments in full with one exception.<sup>1</sup> Oklahoma law also permits the Receiver to pay interest on allowed claims

---

<sup>1</sup> The one exception is the claim of KWIRP-Tulsa Associates, L.P. ("KWIRP") in the amount of \$154,896.89. KWIRP, a Delaware Limited Partnership, was dissolved on or about December 31, 2005. Persons claiming entitlement to KWIRP's payment have advised the Receiver they plan to

where there are sufficient receivership assets. The AmCare receivership estate ("AmCare Estate") has sufficient assets to pay interest on amounts paid to Classes 3 through 8. Accordingly, the Receiver requests approval for the payment of interest as specified in the attached Exhibit 1.

#### BACKGROUND

1. On July 8, 2003, the Court entered an Order (the "Liquidation Order") appointing the Insurance Commissioner as Receiver for AmCare and directing the Receiver to liquidate or rehabilitate AmCare pursuant to the laws of the State of Oklahoma. Additionally, the Court determined AmCare was financially impaired or insolvent.
2. To date, the Receiver has paid a total of \$25,338,876.43 on allowed claims, representing the full principal amount due, less resubmission fees and outstanding overpayments, on allowed claims in Classes 3 through 8.<sup>2</sup>
3. The AmCare Estate has sufficient assets to pay interest on all allowed claims.
4. The Receiver has determined that ample funds will remain in the AmCare Estate for the payment of any remaining claims after the payment of interest as recommended herein.

#### EQUITABLE DETERMINATION OF INTEREST ON ALLOWED CLAIMS

5. "Proceedings under the Uniform Insurers Liquidation Act are special proceedings in the nature of equity." *State ex rel. Crawford v. Indemnity Underwriters Ins. Co.*, 1997 OK CIV APP 37, ¶ 8, 943 P.2d 167 (internal citations omitted).
  6. The Oklahoma Uniform Insurers Liquidation Act ("OUILA") charges the Receiver
- 
- secure the appointment in Delaware of a receiver to whom the KWIRP payment can be made.

<sup>2</sup> As noted in footnote 1, KWIRP's claim of \$154,896.89 is the one exception. Class 1 claims, which are administrative claims against the receivership estate, have been paid and will continue to be paid with Court approval as they are incurred.

with evaluating all claims made against the AmCare Estate and recommending action to the Court on the same. 36 O.S. § 1918.

7. OUILA specifies that "interest on claims of Classes 1 through 8" shall be paid in Class 9. 36 O.S. § 1927.1(B)(9).

8. The Receiver requests approval to pay interest on the allowed claims in Classes 3 through 8, as recommended in this Application.

9. In marshaling the assets of the estate, the Receiver has secured sufficient funds to pay interest on claims in Classes 3 through 8 that this Court has allowed. *See* 36 O.S. § 1927.1(A).

10. OUILA does not specify an interest rate to be applied. Therefore, the rate of interest to be paid on allowed claims falls within the discretion of the Receiver. The Receiver has determined that it is equitable to calculate interest at a rate equal to the average United States Treasury Bill rate of the preceding calendar year plus two (2) percentage points (the "Interest Rate"). The Receiver proposes accruing interest from date of the Liquidation Order until the date of distribution of the final principal payment for each respective claim.

11. Application of the uniform, recommended Interest Rate for the period from the Liquidation Order until distribution of the final payment of principal allows the Receiver to efficiently compute interest.

12. The Interest Rate is consistent with the purposes of OUILA, and provides for the efficient and uniform payment of interest on all allowed claims.

13. The Receiver has computed the amount of interest to be paid on each of the allowed claims in Classes 3 through 8.

14. The recommended interest payment for each claimant is set forth in the attached Exhibit 1.<sup>3</sup>

15. The Receiver engaged an outside accounting firm, which audited and validated the Receiver's interest computations.

16. The Receiver has determined that sufficient funds will remain in the AmCare Estate after payment of interest as recommended through this Application. Specifically, after payment of interest, the remaining funds will be sufficient to pay (a) all remaining claims against the estate, if any; (b) taxes; and (c) other expenses necessary for the continued administration of the AmCare Estate to conclusion.

17. With this distribution, the Receiver shall have distributed principal and interest on all allowed claims in Classes 3 through 8 in full, net of resubmission fees and outstanding overpayments.<sup>4</sup>

18. The payment of interest at the recommended Interest Rate is in the best interest of the AmCare Receivership Estate, its creditors and beneficiaries, and the public in general.

19. The Receiver requests authority to make the interest payments in accordance with the attached Exhibit 1.

20. The Receiver also requests the Court order that a claimant waives the right to contest the Receiver's recommended interest payment if the claimant either (a) fails to present a

<sup>3</sup> In Exhibit 1, each of the rows reflects information for a given claimant, which may have submitted one or more Proofs of Claim ("POC(s)") for which the Court has previously allowed payment. The first column provides a claimant # assigned to the claimant. The second column reflects the POC number(s) for each POC of that claimant that has been paid. The third column contains the total amount of interest the Receiver recommends be paid to the claimant in relation to all previously paid POCs.

<sup>4</sup> As noted in footnote 1, KWIRP's claim of \$154,896.89 is the single exception.

timely objection to the Receiver's recommendation, or (b) negotiates or deposits the interest payment check made payable to that claimant.

21. Attached hereto as Exhibit 2 is the Receiver's proposed form of notice of hearing to be provided to claimants interested in this Application pursuant to 36 O.S. § 1918. Attached as Exhibit 3 is the proposed form notice of the self-executing waiver that arises from deposit or negotiation of the check.

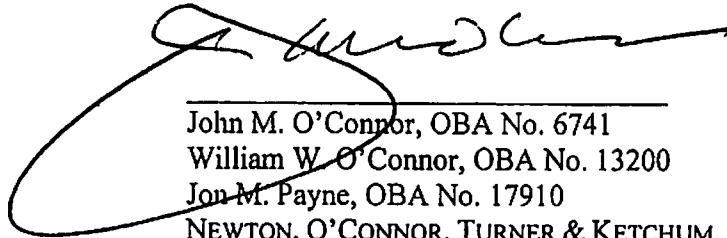

22. The Receiver requests the Court to set a hearing on the Receiver's Application at which any objections to the Receiver's recommendation may be heard.

23. The Receiver recommends and requests that the Court disallow claims to interest contrary to the Receiver's recommendations presented through this Application.

WHEREFORE, the Receiver respectfully requests this Court to:

- a. set this Application for hearing;
- b. order that the Receiver provide notice to each claimant referenced in Exhibit 1 of the opportunity to object and be heard in opposition to the Receiver's recommendation as to that claimant;
- c. find that the proposed form of notice attached hereto as Exhibit 2 is proper in all respects;
- d. upon hearing any objections thereto, enter an order: (1) granting the Receiver's Application to Pay Interest on Allowed Claims; (2) allowing the Receiver's recommended payment of interest as described on the attached Exhibit 1; (3) granting the Receiver authority to make a distribution to pay interest; (4) providing that the acceptance of the interest payment constitutes a waiver of all claims against the AmCare Estate; (5) authorizing the Receiver to send notice to that effect in the form of the attached Exhibit 3 with the approved interest payment; and
- e. grant the Receiver such other and further relief as the Court deems appropriate.

Respectfully submitted,
