

all reasonable efforts to determine the identity of all persons who may have claims against Crown Hill and to provide them with notice to allow them opportunity to file a claim before the October 15, 2016 claims bar date.

3. The Receiver distributed Notice of Proof of Claim Process to two hundred seventy-five (275) individuals and the availability of the proof of claim and instructions were posted on the Oklahoma Receivership Office website <http://www.okaro.org> in accordance with the August 25, 2016 Order.

4. The Receiver's Notice of Liquidation was published in the Tulsa World once per week for three (3) consecutive weeks starting on September 4, 2016 (Notice of Publication, October 12, 2016).

5. On October 18, 2016, the Receiver filed the Receiver's Report of Filed Claims. The Receiver's report stated that thirty-two (32) proofs of claim had been filed with the Receiver. Since that report the following proofs of claim have been received:

<b>POC NO.</b>	<b>POC AMOUNT</b>	<b>POSTMARK DATE</b>
1033	\$1,794.14	10/17/2016
1034	\$1,082.50	02/16/2017

6. Pursuant to title 36 O.S. § 1930, "Proofs of claims may be filed after the date specified in the notice, but no such claim shall share in the distribution of the assets until all allowed claims, proofs of which have been filed before that date have been paid in full with interest".

7. The Receiver informs the Court that the estate does not have sufficient funds to pay the thirty-two (32) Class 6 timely filed proof of claims. In light of the insufficient funds, the Receiver recommends that the court find that the two (2) claims filed after the October 15, 2016

claims bar date to have been filed untimely and, as such, that no further funds be expended valuing these claims.

8. The Proof of Claim form filed by each claimant contains the following language in bold type: **“If you have a change of address, you are required to inform the receiver of the new address in order to receive any payment that might be due.”** To the extent any Notice of this proceeding is returned undeliverable, the Receiver asks the Court to find that the due process rights of the claimant have not been impaired and to order the Receiver not to make any further attempts to give actual notice.

9. In compliance with the due process required by 36 O.S. § 1918, the Receiver asks the court to set a hearing on the claims and establish a date certain for filing the objection to the Receiver’s recommendation.

WHEREFORE, the Receiver prays that this Court enter an Order for the following: 1) order that notice of opportunity to object and be heard on the claims on the Exhibits be given by the Receiver; 2) establish a date for filing an objection to the recommendation of the Receiver; 3) establish a date for hearing the Receiver’s recommendation to the court and any objections thereto; 4) upon hearing any objections thereto, enter an order approving the Receiver’s Report; and 5) such other relief as the Court deems appropriate.

Respectfully submitted,

---
