Case No. CJ-2002-1800

Judge Thomas E. Prince

**RECEIVER'S TWELFTH REPORT ON CLAIMS EVALUATION AND REQUEST
FOR CONFIRMATION OF RECEIVER'S RECOMMENDATION**

The State of Oklahoma, ex rel., Glen Mulready, Insurance Commissioner, as Receiver for Petrosurance Casualty Company, in liquidation, ("Petrosurance") by and through the undersigned attorney of record, and pursuant to the Oklahoma Uniform Insurers Liquidation Act, OKLA. SWAT, tit. 36, § 1901, *et seq.* ("OUILA"), hereby files this Twelfth Report on Claims Evaluation and Request for Confirmation of Receiver's Recommendations and shows the Court as follows:

1. On April 2, 2002 this Court entered a Supplemental Order of Liquidation ordering the liquidation of Petrosurance, having previously found Petrosurance to be insolvent on March 14, 2002.

2. By virtue of the Court's Order, title to all property of Petrosurance was vested in the Receiver and the Receiver was charged with the duty of marshalling Petrosurance's assets, liquidating those assets and distributing all remaining assets in accordance with the statutory prioritization of the allowed claims.

3. The Court further directed the Receiver to notify all persons who have claims against Petrosurance of the claims filing bar date, in a form approved by the Court. On April

26, 2002, the Court entered an Order Approving the Proof of Claim Form, and established the ultimate claims filing bar date of September 30, 2002.

4. Pursuant to OKLA. STAT. tit. 36, § 1930, the Receiver took all reasonable efforts to determine the identify of all persons who may have claims against the Estate and to provide them with notice to allow them the opportunity to file a claim before the September 30, 2002 claims bar date.

5. The Receiver distributed 21,695 notices of liquidation to potential claimants. Additionally, pursuant to the April 26, 2002, Order, Receiver caused the Notice to be published in the national newspaper *USA Today*, on September 3, 9, and 12, 2002.

6. The majority of claims¹ filed against the Petrosurance Estate consist of Class 3 claims. Pursuant to OKLA. STAT, tit. 36, § 1927.1, Class 3 claims include:

All claims under policies including claims of the federal or any state or local government for losses incurred ("loss claims") including third party claims, claims for unearned premiums, all claims of a guaranty association for payment of covered claims or covered obligations of the insurer and all claims of a guaranty association for reasonable expenses other than those included in Class 2. All claims under life and health insurance and annuity policies, whether for death proceeds, health benefits, annuity proceeds, or investment values shall be treated as loss claims. That portion of any loss, indemnification for which is provided by other benefits or advantages recovered by the claimant, shall not be included in this class, other than benefits or advantages recovered or recoverable in discharge of familial obligation of support or by way of succession at death or as proceeds of life insurance, or as gratuities. No payment by an employer to his employee shall be treated as gratuity.

36 O. S. § 1927.1.

¹ Court review and approval of the Receiver's recommendations regarding Class 1 claims occurs on a regular basis and is therefore not included in this Report. The Receiver will, at the appropriate time, submit the Receiver's recommendations regarding Class 2 claims in this estate.

7. The Receiver believes that a single, timely filed class 3 claim is ready for adjudication. This claim includes 148 individual trusts. The Guaranty Association's claims are the only remaining, non-adjudicated claims. They will be included in the final report once the Guaranty Associations have closed their claims.

8. The Receiver has not completed marshalling all assets of Petrosurance.

9. This Report does not address the actual distribution of assets that may ultimately be made to creditors and beneficiaries of Petrosurance. Neither the Receiver's recommendation that a claim be allowed in a certain amount, nor the Court's Order allowing a claim, ensures that the claim will be paid in whole or in part. Payment of an allowed claim is contingent upon: (a) the assets available to the estate for payment of claims; (b) the class of the claim allowed; and (c) whether the assets of the estate are sufficient to pay in full all allowed claims and all classes of claims. For this proof of claim, future disbursements, if any, will be made to the individual trusts.

EXPLANATION OF RECEIVER'S RECOMMENDATION

10. Attached hereto as Exhibit 1 is the report detailing the Receiver's recommendation on the Class 3 claim that is ready for adjudication. The table below is a summary of the Receiver's recommendations with respect to the Class 3 claim that is ready for adjudication:

Class	Timely?	Amount Claimed	Amount Allowed
3	Yes	\$4,935,577.28	\$3,018,436.65

11. The attached Exhibit 1 refers to the Receiver's recommendation as to the Class 3 claim that is now ready for adjudication. The Receiver has analyzed the claim reflected on Exhibit

1 and recommends it be classified as a Class 3 claim for purposes of OKLA. STAT. tit. 36, § 1927.1.

12. The "Amount Claimed" column on Exhibit 1 reflects the amount that the Class 3 claimant has sought through the particular claim. The "Amount Allowed" column sets forth the amount the Receiver recommends that the Court allow as to the particular Class 3 claim.

13. This report contains no untimely claims. Therefore, the provisions of OKLA. STAT. tit. 36, § 1930 do not apply.

14. The Proof of Claim form filed by the claimant contains the following language in bold type: **"If you have a change of address, you must inform the receiver of the new address in order to receive any payment that might be due."** To the extent any Notice of this proceeding is returned undeliverable, the Receiver asks the Court to find that the due process rights of the claimant have not been impaired and to order the denial of their claim without further attempts to give actual notice.

15. Pursuant to OKLA. STAT. tit. 36, § 1918, the Receiver requests the Court to set a hearing on the claim and establish a certain date certain for filing an objection to the Receiver's recommendation. Attached hereto as Exhibit 2 is the Receiver's proposed form of notice of hearing to be provided to the claimant made the subject of this Report.

16. The denial of any timely-filed proof of claim included in the Receiver's Report does not alter the statutory obligation, if any, of the applicable state guaranty funds to provide indemnity and defense of a covered claim as defined by the Oklahoma Property & Casualty Insurance Guaranty Association Act, OKLA. STAT. tit. 36, § 2004(7), or other applicable state statutes.

17. The Receiver's characterization of a claim or payment does not constitute an admission of liability by Petrosurance for purposes of any litigation.

WHEREFORE, the Receiver respectfully requests that this Court:

- a. order that the Receiver provide notice of opportunity to object and be heard to the claimant making a claim reflected on Exhibit 1 attached to this Report and find that the proposed form of notice attached hereto as Exhibit 2 is proper in all respects;
- b. establish a date for filing an objection to the recommendations of the Receiver;
- c. establish a date for hearing the Receiver's recommendations to the Court and any objections thereto;
- d. upon hearing any objections thereto, enter an order approving the Receiver's Report and confirming the Receiver's recommendation as to each of the claims described herein; and
- e. grant the Receiver such other and further relief as the Court deems appropriate.

- (1) the objection must contain the case information located at the top of this Notice (State of Oklahoma, ex. rel. Glen Mulready, Insurance Commissioner v. Petrosurance Casualty Company Case No. CJ-2002-1800, Judge Thomas E. Prince);
