Case No. CJ-2014-4353

**RECEIVER'S ELEVENTH REPORT ON CLAIMS EVALUATION AND
REQUEST FOR CONFIRMATION OF RECEIVER'S RECOMMENDATIONS**

COMES NOW, the State of Oklahoma, ex rel., Glen Mulready, Insurance Commissioner, as receiver for Red Rock Insurance Company, f/k/a BancInsure Inc., in liquidation ("Red Rock") and Nestor Romero, Assistant Receiver (collectively, the "Receiver"), and files this Eleventh Report on Claims Evaluation and Request for Confirmation of Receiver's Recommendations (the "Report"):

BACKGROUND

1. On August 21, 2014, this Court placed Red Rock in liquidation through its "Order Placing Insurer into Receivership and Liquidation, Appointing Receiver, and for Permanent Injunction."

2. On October 24, 2014, the Court entered an order that approved the Receiver's proposed Proof of Claim Form and accompanying instructions and established the claims filing deadline of February 20, 2015.

3. The Order of October 24, 2014, further established that the Receiver's First Claims Evaluation and Request for Confirmation would be due on June 22, 2015, and that Supplemental

Claims Evaluations and Requests for Confirmation must be submitted within every six months thereafter.

4. The Receiver continues to marshal all of the assets of Red Rock.

5. Court review and approval of the Receiver's recommendations regarding Class 1 claims not involving a proof of claim occurs on a regular basis and therefore is not included in this Report.

6. Fourteen timely¹ Class 2 claims are ready for adjudication at this time. Pursuant to 36 O.S. § 1927.1, Class 2 claims include:

The administrative expenses of guaranty associations. For purposes of this section these expenses shall be the reasonable expenses incurred by guaranty associations where the expenses are not payments or expenses which are required to be incurred as direct policy benefits in fulfillment of the terms of the insurance contract or policy, and that are of the type and nature that, but for the activities of the guaranty association otherwise would have been incurred by the receiver, including but not limited to evaluations of policy coverage, activities involved in the adjustment and settlement of claims under policies, including those of in-house or outside adjusters, and the reasonable expenses incurred in connection with the arrangements for ongoing coverage through transfer to other insurers, policy exchanges or maintaining policies in force.

7. One timely Class 6 claim is ready for adjudication at this time. Pursuant to 36 O.S. § 1927.1, Class 6 claims include “[c]laims of any person, including claims of state or local governments, except those specifically classified elsewhere in [36 O.S. §1927.1].”

8. The claims included in this Report are only a portion of the remaining claims to be adjudicated. As other claims are ready for adjudication, the Receiver will file additional reports.

9. This Report does not address the actual distribution of assets that ultimately may be made to creditors and beneficiaries of Red Rock. Neither the Receiver's recommendation that

¹ POC 1451 was postmarked February 23, 2015, three days after the deadline for filing a proof of claim; however, the claimant's postage stamp was dated February 20, 2015. Therefore, the Receiver is recommending that this claim be adjudicated as timely.

a claim be allowed in a certain amount, nor the Court's Order allowing a claim, ensure that the claim will be paid in whole or in part. Payment of an allowed claim is contingent upon: (a) the assets available to the estate for payment of a claim; (b) the class of the claim allowed; and (c) whether the assets of the estate are sufficient to pay in full all allowed claims and all classes of claims.

EXPLANATION OF RECEIVER'S RECOMMENDATIONS

10. The table below is a summary of the Receiver's recommendations with respect to the claims, by class, that are ready for adjudication:

Class	Claimed	Recommended Allowance	Recommended Denial
2	\$ 15,579.07 ²	\$ 15,579.07	N/A
6	Undetermined	\$0	N/A

11. The attached **Exhibit 1** refers to the Receiver's recommendations as to the Class 2 claims that are ready for adjudication. The Receiver has analyzed the claims reflected on **Exhibit 1** and recommends that each of the claims be classified as a Class 2 claim for purposes of 36 O.S. §1927.1.

12. The attached **Exhibit 2** refers to the Receiver's recommendations as to the Class 6 claim that is ready for adjudication at this time. The Receiver has analyzed the claim reflected on **Exhibit 2** and recommends that the claim be classified as a Class 6 claim for purposes of 36 O.S. §1927.1.

13. The "Amount Claimed" columns on **Exhibits 1 and 2** reflect the amount that the claimant has sought through an individual claim. The "Amount Allowed" columns set forth the amount the Receiver recommends that the Court allow for each individual claim. The "Remark

² The Class 2 claims evaluated in this Report were originally filed as contingent claims, without an amount certain.

Code” column provides a code indicating the basis or bases for the Receiver’s recommendation as to an individual claim.

14. A definition for each of the “Remark Codes” used is set forth in the attached **Exhibit 3**.

15. The Proof of Claim form filed by each claimant contains the following language in bold type: **“If you have a change of address, you are required to inform the receiver of the new address in order to receive any payment that might be due.”** To the extent that any Notice of this proceeding is returned as undeliverable, the Receiver asks the Court to find that the due process rights of the claimant have not been impaired and to order the denial of their claim, if such were the recommended adjudication, without requiring further attempts to provide notice to any claimant.

16. Pursuant to 36 O.S. §1918, the Receiver requests that the Court set a hearing on the claims included in this Report and establish a date certain for the filing of an objection(s), if any, to the Receiver’s recommendations. Attached hereto as **Exhibit 4** is the Receiver’s proposed form of Notice of Hearing to be provided to claimants whose claims are included in this Report.

17. The denial of any timely-filed proof of claim included in the Receiver’s Report does not alter the statutory obligation, if any, of the Oklahoma Property and Casualty Insurance Guaranty Association or other applicable state guaranty fund to provide indemnity and defense of a covered claim as defined by the Oklahoma Property & Casualty Insurance Guaranty Association Act, 36 O.S. §2004(7), or other applicable statute.

18. The Receiver’s characterization of a claim or recommended allowance does not constitute an admission of liability by Red Rock for any purposes.

WHEREFORE, the Receiver requests that this Court:

- a. order that the Receiver provide notice and an opportunity to object and be heard to each of the claimants making a claim reflected on the Exhibits attached to this Report and find that the proposed form of notice attached hereto as **Exhibit 4** is proper;
- b. establish a date for filing an objection, if any, to the recommendations of the Receiver;
- c. establish date(s) for a hearing on the Receiver's recommendations;
- d. direct the Receiver, upon the receipt of any objections, to file with the Court a briefing and hearing schedule for each objection which may include a consolidated schedule to adjudicate multiple objections, where appropriate in the interest of judicial efficiency, and;
- e. grant the Receiver such other and further relief as the Court deems proper.

Respectfully Submitted,

Case No. CJ-2014-4353

**NOTICE OF HEARING ON THE RECEIVER'S
ELEVENTH REPORT ON CLAIMS EVALUATION AND
REQUEST FOR CONFIRMATION OF RECEIVER'S RECOMMENDATIONS**

You are hereby notified that on **July 31, 2020, at 9:00 a.m.**, a hearing will be held before the Honorable Thomas E. Prince, District Court Judge of Oklahoma County, Oklahoma, at which time the Receiver's Eleventh Report on Claim Evaluation and Request for Confirmation of Receiver's Recommendations ("Receiver's Eleventh Report") shall be heard. **The hearing will be conducted at the Oklahoma County Courthouse, 321 Park Avenue, Room 304, Oklahoma City, Oklahoma.**

You are receiving this Notice because the Receiver has evaluated your claim and such claim is ready for adjudication. The Exhibit attached to this Notice sets forth the Receiver's recommendations to the Court in relation to your claim. The Receiver's recommendations to the Court regarding your claim and other claims set for hearing on the cited hearing date are set forth in the Receiver's Eleventh Report, which was filed on June 4, 2020. A copy of the Receiver's Eleventh Report is available on the website of the Oklahoma Receivership Office at www.okaro.org. Your claim has been assigned the Proof of Claim number ("POC#") indicated on

the attached Exhibit. The attached Exhibit also provides information specific to your claim including the amount of your claim, the Receiver's recommendation as to the amount of your claim to be allowed, if any, and the Receiver's recommendation regarding the classification of your claim, which classification reflects the nature of your claim and the priority the Receiver recommends be given to your claim under 36 O.S. §1927.1.

If you do not wish to object to the Receiver's recommendation, you are not required to take any action at this time. If you wish to object to the Receiver's recommendation, you must file a proper, written objection with the Court no later than July 15, 2020. If you file a proper objection, your claim will be heard at a separate hearing of which you will be notified and will not be adjudicated at the July 31, 2020, hearing. To be a proper, written objection:

1. The objection must contain the case information located at the top of this Notice (State of Oklahoma, ex. rel. Glen Mulready, Insurance Commissioner v. Red Rock Insurance Company Case No. CJ-2014-4353, Judge Thomas E. Prince);
2. The objection must be filed with the Clerk of the Oklahoma County District Court, 320 Robert S. Kerr Avenue, Oklahoma City, Oklahoma 73102, and a copy mailed to the Receiver's counsel at the address shown below;
3. The objection must be signed by the claimant or the claimant's representative;
4. The objection must be typewritten on a good grade of white paper size 8.5 x 11 inches, provide the name, current address and telephone number of the claimant making the objection, and provide the name and title of the person signing the objection if the claimant is a business, and;
5. The objection must state the exact grounds on which the objection is based and be accompanied by a concise statement that contains (a) a written statement of material facts contained in the proof of claim as to which the objecting party contends no genuine issue exists verified by a person with knowledge of the facts; (b) references to supporting documentation submitted with the proof of claim; and (c) citation to applicable authority supporting the objection;
6. If you wish to present oral argument to the Court on your objection at the hearing, the objection must indicate your intention to appear at the hearing and present oral argument. Failure to expressly state an intention to make oral argument in your objection may be deemed by the Court to be a waiver of the right to oral argument.

Failure to file a timely and proper written objection as described above may result in your objection being denied. If the Court approves your claim in whole or in part, it does not mean that you will actually receive the allowed amount as ordered by the Court. The amount of payment on your claim, if any, is dependent upon the class or priority that the Court assigns to your claim based upon Oklahoma law, and the assets in the estate available for payment. Certain legal matters still pending before the Court may prevent the payment of claims for some time. Any questions regarding this Notice, the Receiver's Recommendations as to your claim or any of the other claims to be heard during the hearing on the date referenced above should be directed to the Assistant Receiver's Office. Contact information for the Assistant Receiver's Office is set forth below:
